

eXceed Event: Bruker Innovations in Spatial Multiomics

**Bruker Life Sciences Mass Spectrometry together
with Bruker Optics**

October 22nd, 2025, Seminar Room, Level 3, Anna Spiegel Center of Translational Research,
Lazarettgasse 14, 1090 Wien

Agenda

09:00 - 09:30	Registration and Coffee
09:30 - 09:40	Welcome and Introduction Dr. Philipp Schmidberger, Sales Representative, Bruker Daltonics, Germany
09:40 - 10:05	Redefining Spatial Biology, Getting the Most out of Spatial Multiomics Dr. Björn Wendik, Business Development Manager, Bruker Daltonics
10:05 - 10:30	Mass Spectrometry Imaging at the Medical University of Vienna Prof. Klaus Kratochwill, Core Facilities (Proteomics), Medical University of Vienna, Austria
10:30 - 10:55	Coffee Break
10:55 - 11:20	MALDI Imaging Solutions for Spatial Biology Applications Dr. András Kiss, Field Application Scientist, Bruker Daltonics, Austria
11:20 - 12:00	Infrared Laser Imaging Enables Label-Free Biomedical Analysis of Tissues and Cells in Minutes Dr. Cosima Koch, Sales & Application Manager, Bruker Optics, Germany
12:00 – 12:15	Feedback & Discussion
12:15	End
